

## DENGUE AWARENESS PROGRAM

Our Student had been participated the rally "National Voters" day and awareness notice distributed to the public. The significance of this day is to encourage more young voters to take part in the political process; Government of India has decided to celebrate January 25 every year as 'National Voters' Day'. It started from January 25, 2011 to mark Commission's foundation day.

It gives immense pleasure in involving ourselves in volunteering our service for a noble cause. On Tuesday 26.10.2017 was a day of massive attack on the attest mosquito that was embarked with a health awareness campaign in perambalur District to detect, deduct, destroy and totally eradicate the larvae causing dengue. This noble service was taken up by around 300 students and 22 faculties' members of Dhanalakshmi Srinivasan College of education, collectively with the guidance of the district Administration department of the perambalur district. With complete logistics provided by dhanalakshni Group of institutions, the students enthusiastically covered 14 village panchayats in 4 blocks, enumerating 300 habitations and 40 streets, dwelled by 5136 houses. Total coverage of these 14 Village panchayats were taken care of by 6 buses flagged off by the District Collector Mrs. Project Director Mr.V.T.sridhar along with the D.D. Health Dr.Sampath. Dengue awareness and eradication programme was a mass hit of the day in perambalur District to detect and

destroy the killer larvae. A sense of satisfaction has filled all the hearts who were involved in this eradication missile. This satisfaction could be gained by us, only by the nod of our chairman aiya, who readily accepted to take up this massive project in a large scale.
